Back in Print!

Originally published as a two-volume set forty years ago, *The Juniper Tree* is distinguished first by the selection of stories. Lore Segal and Maurice Sendak jointly culled 27 from the 210 in the complete collection, and their contents page presents a fascinating critical statement. The translations are another distinguishing quality of the Segal/Sendak edition. Both translators have been painstakingly faithful to the German texts; they have not cut, "retold," or bowdlerized. In addition, Segal and Jarrell bring to their renderings of Grimm the grace and precision that are characteristic of their own original prose.

- One of the most acclaimed Grimm collections published in English, available again
- An elegant, must-have edition for every home library
- New lower-price of \$19.99, formerly \$28.00
- Includes standards such as "Hansel and Gretel," "The Fisherman and His Wife," and "The Frog King" as well as lesser-known masterpieces such as the title story and "The Goblins"
- Each story contains a full-page picture by Maurice Sendak
- Four stories translated by Jarrell, the rest by Segal
