North America is a land of diversity that's peppered from sea to shining sea with natural wonders, stunning collections of art and historic relics, and jaw-dropping examples of engineering. *Amazing Places to See in North America* puts you on the path toward discovering the best that the continent has to offer. Not only will you learn about the attractions on everyone's must-see list, but you'll also discover places that are off the beaten path and plenty of kicks for the kids.

Some of the destinations included in the book:

Ben & Jerry's Ice Cream Factory in Vermont. Take a tour of the factory and enjoy some samples, as well. Visit the Flavor Graveyard, where tombstones honor flavors that are long gone, such as Fred and Ginger. Monticello in Virginia. Thomas Jefferson's home is a Roman neoclassical masterpiece. The 43-room mansion is filled with history.

Georgia Aquarium in Georgia. The world's largest aquarium holds eight million gallons of water and more aquatic life than any other aquarium.

Winchester Mystery House in California. In 1884, a rich heiress visited a fortune-teller after the death of her husband and baby daughter. The medium told her that continuous additions to her mansion would appease evil spirits. When hammering finally stopped in 1922, there were 160 rooms and 40 staircases, some of which lead to nowhere.

Whether you're planning a trip or you just want to learn about various attractions, *Amazing Places to See in North America* is a must-read.
