Annapolis

William Martin

Annapolis William Martin

From the days of pirate raids on the Chesapeake to swift-boat actions in Vietnam, the Staffords and their traditional rivals, the Parrishes, struggle with foreign enemies and each other to build a navy and a nation. They march across the deserts of Tripoli, sail into the South Seas to battle the British and dally with the native girls, fight aboard the *Merrimac* and the *Monitor*, fly into the battle of Midway, and look into the living faces of all four men on Mount Rushmore.

When Stafford descendant Susan Browne sets out to film a documentary about her famous ancestry, her work sweeps her into the past, to celebrate Stafford victories, mourn their losses, and confront their secrets. *Annapolis* is William Martin's most ambitious novel, a tale of romance and courage, honor and patriotism, an ode to the men and women who have made the proud traditions of the United States Navy.
