If You Only Knew Kristan Higgins

The drama, hilarity and tears of sisterhood are at the heart of the thoroughly captivating new novel by *New York Times* bestselling author Kristan Higgins—a funny, frank and bittersweet look at marriage, forgiveness and moving on

Letting go of her ex-husband is harder than wedding-dress designer Jenny Tate expected...especially since his new wife wants to be Jenny's new best friend. Sensing this isn't exactly helping her achieve closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, a guy who's utterly irresistible and annoyingly distant at the same time.

Rachel's idyllic marriage, however, is imploding after she discovers her husband sexting with a colleague. She always thought she'd walk away in this situation, but her triplet daughters have her reconsidering her stance on adultery, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood.

Both Rachel and Jenny will have to come to terms with the past *and* the present and find a way to get what they want most of all.

From reader reviews:

Virginia Cherry:

Now a day people who Living in the era everywhere everything reachable by connect to the internet and the resources included can be true or not call for people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the answer is reading a book. Examining a book can help folks out of this uncertainty Information specially this If You Only Knew book because this book offers you rich info and knowledge. Of course the information in this book hundred pct guarantees there is no doubt in it you may already know.

Fabian Luton:

Your reading sixth sense will not betray you, why because this If You Only Knew e-book written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still skepticism If You Only Knew as good book not merely by the cover but also with the content. This is one guide that can break don't determine book by its handle, so do you still needing an additional sixth sense to pick that!? Oh come on your examining sixth sense already told you so why you have to listening to one more sixth sense.

Beverly Sands:

This If You Only Knew is great e-book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it facts accurately using great coordinate word or we can say no rambling sentences inside. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having If You Only Knew in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world throughout ten or fifteen moment right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. busy do you still doubt this?

Emily Boyd:

What is your hobby? Have you heard which question when you got pupils? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. So you know that little person such as reading or as studying become their hobby. You need to know that reading is very important in addition to book as to be the point. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you go onto be your object. One of them is this If You Only Knew.
