The Journey: A Road Map to the Soul Brandon Bays

Heal your life and set yourself free...

In 1992, Brandon Bays was diagnosed with a basketball-sized tumor in her uterus. Already experienced as a healer, she felt she needed to explore alternative means of healing before resorting to surgery and drugs. In the process, she found herself catapulted into an extraordinary soul-searching, and ultimately freeing, journey of healing. Just six and a half weeks after her diagnosis, she was pronounced perfectly healthy. Without the need for drugs or surgery, the tumor had disappeared.

The profound process of self-healing that Brandon Bays pioneers has since freed thousands from lifelong emotional and physical blocks. Through the unique work she describes in *The Journey*TM, we can learn her deeply transformative techniques and reap the rewards.

*The Journey*TM guides us directly to the root of any longstanding difficulty and then gives us the tools to resolve it -- *finally and completely*. This powerful process creates remarkable and lasting results. Chronic pain vanishes. Anxiety, depression, and sexual blocks disappear. Self-esteem, grief, and anger issues dissolve, addictions fall away, and illnesses come to an end.

All of us know that deep inside we harbor huge potential. We long to experience it -- yet something holds us back. We long to set ourselves free, yet we don't know how to begin.
