Dark Waltz--A sizzling legend of loss, lust and love.

It's the year 2030 and the human population has been annihilated by a virulent form of small pox. Liasare Davidson is desperately searching for her brother, who has been missing for three months. It's been eighteen years since she was evacuated from Earth and she is horrified to see it's become a cesspool of unimaginable things.

In her quest to find her brother, she meets Jurek, a powerful and enigmatic being that frightens her, yet she is unable to resist. When things begin to unfold between them, they both discover a paralyzing truth that puts Liasare at grave risk. She must make a choice to join Jurek and find her brother or fulfill a role she believes she is ill equipped to undertake.

This is a spin off from The Guardians of Vesturon Series.
