Equity And Sustainable Development: Reflections from the US-Mexico Border (U.S.-Mexico Contemporary Perspectives Series)

Equity And Sustainable Development: Reflections from the US-Mexico Border (U.S.-Mexico Contemporary Perspectives Series)

In light of the power strategies in play in the new geopolitics of economic and ecological globalization, there is a need for critical analysis of how the agenda of sustainable development is being conceived, shaped, and implemented. This volume considers issues of equity and development in the US-Mexico border region, and highlights the fact that regions at the juncture of the industrial and developing worlds most clearly illustrate the problems inherent in current economic paradigms.
