Red Alyxandra Harvey

Bad girls burn hot...

Red is the color of Kia Alcott's hair.

It's her temper, which blazes hot and always gets Kia into *way* too much trouble.

And it's the color of fire. Fires that Kia can start...just by thinking about them.

When her latest "episode" gets her kicked out of school, Kia is shipped off to her grandmother, who works for the wealthy Blackwoods. It's an estate shrouded in secrets, surrounded by rules, and presided over by a family that is far from normal...including the gorgeous and insolent Ethan Blackwood.

Ethan knows far more about the dangers of the forest surrounding the estate than Kia can ever imagine. For this forest has teeth, and Ethan is charged with protecting the outside world from its vicious mysteries.

But inside, even the most vibrant shade of red doesn't stand a chance against the dark secrets of the Blackwood family...

From reader reviews:

Leonard Parnell:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Only you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Red. All type of book can you see on many methods. You can look for the internet options or other social media.

Ethel Davidson:

Reading a guide tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or their experience. Not only the story that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write to their book. One of them is this Red.

Jon Harrill:

You are able to spend your free time to learn this book this reserve. This Red is simple to deliver you can read it in the area, in the beach, train and also soon. If you did not possess much space to bring the actual printed book, you can buy the particular e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Wayne Queen:

Book is one of source of know-how. We can add our know-how from it. Not only for students but also native or citizen want book to know the change information of year in order to year. As we know those guides have many advantages. Beside all of us add our knowledge, also can bring us to around the world. With the book Red we can take more advantage. Don't you to definitely be creative people? Being creative person must like to read a book. Just simply choose the best book that ideal with your aim. Don't always be doubt to change your life with this book Red. You can more desirable than now.
