## Translation Bundle Nottingham Uni: The Translation Studies Reader

*The Translation Studies Reader* provides a definitive survey of the most important and influential developments in translation theory and research, with an emphasis on twentieth-century developments. With introductory essays prefacing each section, the book places a wide range of seminal and innovative readings within their thematic, cultural and historical contexts.

The third edition of this classic reader has been fully revised and updated and adds a new section: *2000 and beyond*, which includes five new readings. These new readings bring the Reader up to date with recent developments in the field and include articles on translation and world literature and translation and the internet.
